

Portable

Rechargeable washer & blow dryer

Product code: WW-POR1

Product description

A self-contained, portable ablution unit with washing and blow-drying functions. Separate clean- and used-water tanks allow use without a permanent plumbing installation.

Key features

- Two-in-one washing and blow drying
- USB Type-C charging
- Separate clean and grey water reservoirs
- Compact unit for use at home or on the move

Technical specification

Construction	Polypropylene, ABS and aluminium
Product weight	4 kg
Clean water tank	2.5 litres
Grey water tank	3.0 litres
Faucet height	580 mm (as shown on drawing)
Body size (W x D x H)	320 x 410 x 350 mm

Installation & specification notes

Fill and empty the separate water reservoirs as required. Charging and operating details are set out on page 2.
