Stools	TWUDU-S / sold separately

PRODUCT INFORMATION

- Mounting: recessed or floor-mounted
- Required overall length
- Waste position: left or right
- Installation: between walls or freestanding
- Number of stools, if required

PRODUCT DETAILS

- Designed for foot washing / wudu.
- Manufactured to custom lengths.
- Tapware available - confirm selection.
- Stainless steel stools (TWUDU-S) can be ordered separately.

INSTALLATION & SPECIFICATION NOTES

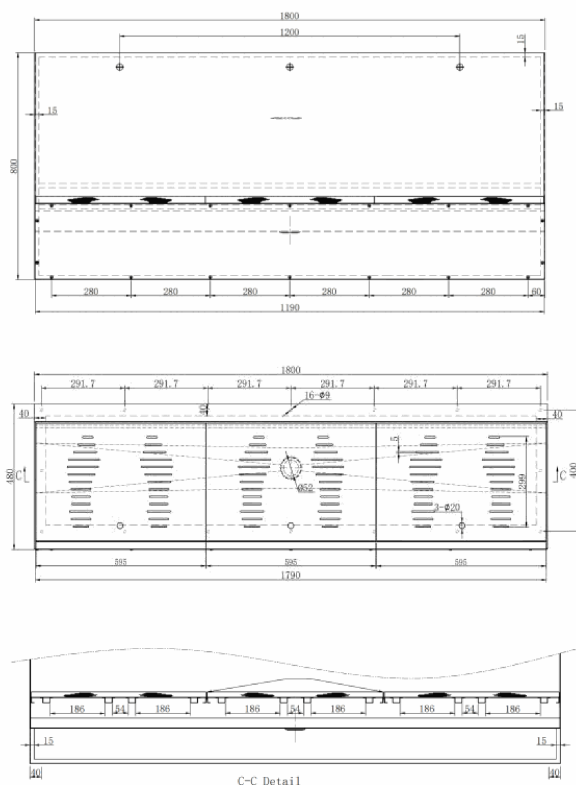

Support the trough tray on a pliable mortar bed (slurry) to prevent flexing. For a recessed installation, allow a 440 mm wide × 90 mm deep × trough-length cut-out and a 101 mm OD tube dropper outlet. Between-wall installations include tile edges on all sides; freestanding troughs have no tile edges. Confirm final set-out against the selected model.

TECHNICAL REFERENCE

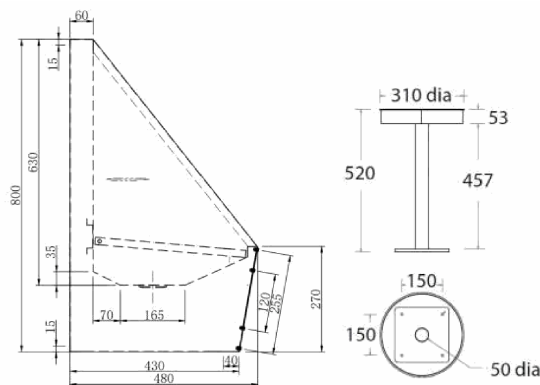

Dimensions & installation

All dimensions in mm. Do not scale from this sheet.
